Payroll System *plus* Time Attendance

BEYOND just monthly paychecks and Punching Time Cards

savestime

Wish you could ***control your staffs attendance*** in ***multiple locations***? Are you unsure of your staffs ***punctuality*** in opening your stores nationwide or even worldwide?

Staffs attendance is critical for businesses with operations in multiple locations. XeerSoft Time Attendance System is a web-based system with photo capturing feature to avoid fraud of logging in for another staff, giving you control over your employees.

Calculating wages according to attendance, shifts and overtime could be tedious and prone to redundancies and mistakes. With XeerSoft Payroll system, calculations are automated, monthly payslips can be generated at ease along with bank diskette formats to facilitate automated payments from your bank account.

You can easily integrate with XeerSoft modules like Accounting, Human Resource system and Management Dashboard - for complete visibility of your human resources.

Call us at **+603-9284 8286** for a live demonstration TODAY! Or browse to our website for more information at http://www.**XeerSoft.com**

Automated Calculations
